

Agricultural internships in Germany

LOGO e.V.

LOGO e.V. organizes agricultural internships for six-months with special seminars. Depending on your interest and specialisation, we will select a suitable farm for you, for example animal husbandry, plant production, processing, etc.

As a rule, as a trainee you will receive board and lodging at the host family for free. You will work 40 hours a week and will receive 340 € per month. A report booklet must be written. During the internship you will have a supervisor who will help you if you have any questions. In your leisure time and during the holidays you can travel through Germany and Europe. At the end of the internship you get certificates, which will be important for your professional life.

Conditions for the internship:

- You are an agricultural student at a university (Bachelor, Master) or at a college
- As a college student you are at least 18 years old or older
- You are open minded and motivated
- You have basic knowledge of German or English language
- You have skills in agriculture
- You have good study results

In addition it is desirable:

- You already have practical experience in agriculture
- You have a driver's license and driving experience

LOGO e.V. was founded in 1995 by farmers and agricultural specialists of organic agriculture. The internships and seminars are financed by German farmers and the Federal Ministry of Agriculture and Food.

If you would like to contact former LOGO trainees in your region, please write to us and we will help you to meet them.
