

Internships and Seminars on Organic Farming in Germany

Do you study agronomy, animal husbandry, veterinary medicine or agricultural engineering? Would you like to gain experience abroad? If so, you may take part in an internship in organic farming in Germany.

We offer you:

1. Six-month internship related to your field of study
2. More than 20 seminars on vocational training and agriculture
3. Free language course for preparation
4. Free accommodation, food and insurance in the company
5. 400 € remuneration per month for 40 working hours per week
6. Supervision by former interns
7. Free return flight after completing the internship
8. Certificate with grades for the internship

During the internship, you will get to know Germany and can visit neighbouring countries. Are you interested? If yes, apply to <https://logoev.de/en/applications>

Contact:

Dr. Hartwig Mennen +49 178 1396 433 ,(WhatsApp/Telegram), info@logoev.de

Further information: <https://logoev.de/> and <https://instagram.com/logo.e.v/>

The association LOGO e.V. was founded in 1995 and has more than 200 members. More than 4,500 agricultural students participated in the internship programs. It is financed by the farms and the Federal Ministry of Food and Agriculture.
